Date of dissemination	September 15 th 2005 October 3 rd 2005
Place of dissemination	Gamesa, Madrid.
Brief abstract / description of dissemination activity	Presentation of project objectives to staff from different activities (wind farm operation and electricity marketing), as well as receiving information for D3.3.
Audience impact assessment	They appeared to be receptive to project's proposals and wanted to learn more once the project further developed. A change in regulation did not allow them to aggregate wind farms and CHP, unless they owned CHP plants, and they were not interested in building such plants at that moment.
